---

Can you look into this on Monday? Thanks!

Subject: USG-7

Jason/Terrence,

USG-7 changed name and ownership and is now operating under the name of US Corrections. I am not aware of any new contracts being signed or any old ones being amended. Apparently USG-7 moved all operations to California and all accounts under USG-7 were inherited to US Corrections.

Did either of you receive this information? If not, should we stop using US Corrections until a contract is signed?

I appreciate your prompt attention.

Kathy Moniz, Manager

Broward Sheriff's Office
